EDUCATION

Delhi Technological University (DTU) | B.Tech in Electrical Engineering | CGPA: 8.33/10

PROFESSIONAL EXPERIENCE

KUKU (formerly Kuku FM) | Nov 2025 – Present

Monetization & Growth

- Led end to end **ad-monetization initiatives** across platforms, driving **74% revenue growth within 4 months** through ad placement optimization, A/B experimentation, and paywall strategy
- Transitioned ad infrastructure from pure bidding to a **hybrid mediation setup** increasing **eCPM from 0.4 to 0.7**.
- Defined **growth and monetization strategies** for ad-supported funnels using Meta Ads, lifecycle campaigns, and targeted engagement initiatives.

Product & Platform Ownership

- Created **PRD's**, contributed to **product roadmap Planning** and drove **data-driven product decisions** by evaluating user behaviors, monetization experiments, and product performance using superset dashboards.
- Owned development of a centralized **pre-IPO brand website** serving as a **single source of truth** for **investors, employees** and **end users**.
- Built a customized **notification and user cohorting platform** for push, WhatsApp, and in-app engagement, enabling **behavioral segmentation, personalization, and lifecycle targeting**.
- Enhanced internal CMS workflows with **self-serve capabilities**, reducing operational dependency on engineering teams.

User Engagement & Retention

- Designed **lifecycle engagement journeys** across WhatsApp, push notifications, and in-app channels for pre-trial, trial, and post-trial users.
- Achieved **34.82% 15th-episode completion conversion** and **~3% premium conversion** through behavioral targeting and personalized engagement flows.
- Built personalized WhatsApp Flows using ZixFlow with **dynamic pricing plans**, behavioral targeting & recommendations.

Tata Play | July 2023 – Oct 2025

- Led delivery of cross-platform OTT white-label products for international markets including **Signal (PH)** and **Akash (BD)**
- Conducted **user research, competitor analysis**, and stakeholder alignment to drive **KPI-focused product execution and feature rollouts**.
- Built ML-driven personalization and retention systems, improving **engagement** by **~35%** and **retention** from **43% to 67%**.
- Led **SEO optimization initiatives** through SSR improvements and enhanced **content discoverability**.
